

# Truck Drivers (Class C Licensed)

## Job Description

- Drive trucks with capacities greater than 3 tons, including tractor-trailer combinations, to transport and deliver products, livestock, or other materials.
- Inspect loads to ensure that cargo is secure.
- Check vehicles to ensure that mechanical, safety, and emergency equipment is in good working order.
- Report vehicle defects, accidents, traffic violations, or damage to the vehicles.
- Perform basic vehicle maintenance tasks, such as adding oil, fuel, or radiator fluid, performing minor repairs, or washing trucks.
- Maneuver trucks into loading or unloading positions, following signals from loading crew and checking that vehicle and loading equipment are properly positioned.
- Couple or uncouple trailers by changing trailer jack positions, connecting, or disconnecting air or electrical lines, or manipulating fifth-wheel locks.
- Collect delivery instructions from appropriate sources, verifying instructions and routes.
- Check conditions of trailers after contents have been unloaded to ensure that there has been no damage.
- Secure cargo for transport, using ropes, blocks, chain, binders, or covers.
- Obtain receipts or signatures for delivered goods and collect payment for services when required.
- Maintain logs of working hours or of vehicle service or repair status, following applicable state and federal regulations.
- Operate vehicles and material-moving equipment.
